

## British Standard Gratings is a winner in the RoSPA Awards 2016

### British Standard Gratings of Cradley Heath, is among the winners in the RoSPA Occupational Health and Safety Awards 2016.

The Silver award in the prestigious annual scheme run by the Royal Society for the Prevention of Accidents (RoSPA) will be presented during a ceremony at the Hilton Birmingham Metropole Hotel, at the National Exhibition Centre.

As the UK's family safety charity, RoSPA's mission to save lives and reduce injuries covers all ages and stages of life. In support of this mission, the RoSPA Awards, which date back 60 years, recognise commitment to continuous improvement in accident and ill health prevention at work. Through the scheme, which is open to businesses and organisations of all types and sizes from across the UK and overseas, judges consider entrants' overarching occupational health and safety management systems, including practices such as leadership and workforce involvement.

Julia Small, RoSPA's head of awards and events, said:  
*"To win an award at such a prestigious event as the RoSPA Awards is a great achievement for our winners. It recognises their commitment to maintaining an excellent health and safety record and raises the bar for other organisations to aspire to. We offer British Standard Gratings our congratulations."*

Ian Harpin, British Standard Gratings' General Manager said: *"It is a great achievement and honour to receive a RoSPA Silver Award. We are committed to maintaining an exceptional standard of health and safety and to have been recognised in this way for a third year in a row is testament to the hard work of all at BSG in delivering safety."*
